Money Skills for Life

A one hour course to be offered Fall 2008!

This course reviews practical money skills that college students need as they enter the world of work. It will cover basic budgeting, credit management, making decisions about employer provided health care, and savings and investments, especially employer provided options. The emphasis will be on preparing the students to make decisions as they leave college and begin employment.

Class time: 2-3:15 Tuesdays

The course is letter graded. Prerequisite: Open only to students with senior standing.
