INTERVIEWS: If you are interested in conducting interviews, on-campus interview spaces will be available through the Career Center. Our students will be registering for interviews using DAWGlink which is the Career Center's online job posting, resume referral, and on-campus interview scheduling system. To schedule interview dates, please request your interview room reservations at <https://uga-csm.symplicity.com/employers/> as quickly as possible to reserve interview space and to assure that your company's job listings can be posted on DAWGlink. On-campus interview space is limited and interview rooms will be assigned on a "first come" basis. If you have questions regarding conducting interviews at the Career Center, please email Debi Grayson at DebiG@uga.edu.

NOTE: *Due to the popularity of this event, only one interview schedule per company can be reserved at this time for February 4. Companies wishing additional schedules for February 4 will be placed on a waiting list and will be notified if space becomes available.*
