

# RMIN 5950 - Corporate Risk Management

Fall 2008

Robert E. Hoyt, Ph.D.

Dudley L. Moore, Jr. Chair of Insurance and Department Head

---

## I. Text and Material

1. *Risk Assessment*, Baranoff, Harrington, and Niehaus, 1<sup>st</sup> Edition, American Institutes for CPCU/Insurance Institute of America: Malvern, PA (ISBN 978-0-89463-256-6), 2005.
2. *Computer Instructions, Project Assignment, and Hi Cat Steakhouses, Inc.* Distributed in class and available in WebCT.
3. *Lecture Outlines for RMIN 5950*. Available in WebCT.
4. Readings distributed in class or available in WebCT.

## II. Course Description

Prerequisite: RMIN 5100. The operational and financial risks faced by firms and the study of various methods of handling these risks, including loss prevention, risk retention, self-insurance, corporate insurance programs, and capital markets.

## III. Grading

Graded material in this course will consist of the following:

	<u>Point Value</u>
(3) exams (4 given, drop 1)	100 each
project	200
forecasting assignment	25
class participation / mini-cases	25
speakers / other events	<u>25</u>
Total points possible	575

The following percentages of total points from all graded material will be used in determining final grades.

90% - 100% = A	80% - 84.9% = B	70% - 74.9% = C
88% - 89.9% = A-	78% - 79.9% = B-	60% - 69.9% = D
85% - 87.9% = B+	75% - 77.9% = C+	below 60% = F

There will be **no makeup** exams. Three exams will be given during the semester and one during final exam week. Only the three highest scores on the exams will be used in determining the final grade. The fourth exam will be comprehensive.

## IV. Office

My office is Brooks Hall 206 and my telephone number is 542-4290. My office hours for the fall semester are Tuesday and Thursday, 9:30-11:15 a.m., and by appointment. I also can be reached by email at the address [rhoyt@terry.uga.edu](mailto:rhoyt@terry.uga.edu). I encourage you to make frequent use of email since this is an easy way for us to communicate outside of class.

## V. Cheating

Cheating in any form is not acceptable behavior. The student is expected to be familiar with the University's policy regarding academic honesty. This policy is outlined in the handbook, [\*A Culture of Honesty\*](#), which is available from the *Office of the Vice President for Instruction*. Any incidence of suspected cheating will be dealt with through appropriate judicial channels.

**VI. Special Needs**

Any student who feels that he or she may need an accommodation for any sort of disability should consult with me so that arrangements can be made.

**VII. Attendance and Participation**

Students are expected to attend class regularly. A student who incurs an excessive number of absences may be withdrawn from the class at the discretion of the instructor. Please inform me of any situations that require your extended absence from the class. Twenty-five (25) points of the total points for the semester are allocated for attendance and class participation (including mini-case preparation). In addition, 25 points will be assigned for attendance on the days when outside speakers are addressing the class and for attendance at the Insurance Society/GIS Fall Picnic, the UGA Career Fair, the Insurance Society/GIS Meeting, and the Atlanta CPCU I-Day. I realize that conflicts may prevent you from participating in all of these activities. As a result, five (5) points are assigned for attendance at each event. If you attend at least five out of the possible activities you will receive the full 25 points credit.

You are expected to be punctual in arriving for class. Class starts at 8:00 a.m. sharp. Please inform me of situations that will require you to arrive late for class. Your participation grade will be adjusted to reflect absences and tardiness.

**VIII. WebCT Class**

I have established a WebCT page for this class. From this page you can obtain a copy of the syllabus, view a course calendar, obtain lecture outlines, get assignments, and link to other important pages. To login to the course go to the UGA WebCT main page (<https://webct.uga.edu/>) and follow the links for "Login to MyWebCT".

**IX. Course Outline<sup>+</sup>**
